## WELCOME TO IHM COLLEGE

IHM College offers students, both domestic and international, the opportunity to earn an unparalleled tertiary educational experience. With passionate and qualified teaching staff, a clean and caring school atmosphere, and the resources to supply students with the skills necessary for their continued personal success, IHM College looks to help students to realize their potential.

## OUR STORY

In conjunction with our 28 years anniversary, we have changed our name from In-House Multimedia College to IHM College. In-House Multimedia College was established in year 1993.

We aim to fill the talent gap of multimedia design skills in Malaysia. This creative industry requires talent who can combine digital technology skills with creative ability to meet design challenges. All our Academic Programmes are developed and designed by industry's market leaders to assure quality and relevant education to be offered to the student. Since the year 1993, In-House Multimedia College created multidisciplinary programmes to ensure well-rounded development.

IHM College offers in-depth knowledge in various areas. Thus, we also adopt a participative management system which creates a friendly and conducive student learning environment.

Our programmes focus on providing students the knowledge, practical and analytical skills required for employability in the digital industry. In order to create new media possibilities and experiences, we develop programmes that enable students to be innovative and creative.

We utilize Authorized Certification from the most in-demand software providers for our students to practice and demonstrate their skills. Our Programmes are taught by a team of experts and professionals to ensure academic quality. We also have industrial experts to advise and consult our academic team to enhance the quality of our teaching programmes.

January, May, October

# DIPLOMA IN HOSPITALITY AND BEREAVEMENT MANAGEMENT

## DIPLOMA IN COUNSELLING BEREAVEMENT

## DIPLOMA IN REAL ESTATE AND PROPERTY BEREAVEMENT MANAGEMENT

The Bereavement Management programme is designed to develop up-to-date skills and knowledge for funeral operation and management. Students will learn about responsiveness surrounding funerals and hospitality with an emphasis on the social and cultural practices associated with this industry. Students learn how to execute the plans and procedures required for the successful arrangement and operation of a hospitality bereavement, including the administrative duties related to funeral settings and implementations. In addition to that, the programme will enhance students' knowledge of the psychological, social and cultural elements correlated with death and grief of loss.

For subjects requiring the acquisition of skills, such as funeral settings and operations, a modular method of teaching and learning has been adopted. For each practical subjects, students will learn the techniques in a laboratory setting, where they will have an opportunity to improve their effectiveness and efficiency before applying them in actual working place.

### Entry Requirements

- A minimum of 3 credits in SPM with a pass in BM and History subjects or its equivalent
- 3 credits in O-Levels
- 3 Bs in UEC
- All above required a pass in BM and History

### Features

- Completed in 2.5 years
- Provide high quality of teaching and learning
- Highly experienced faculty with proven industrial, professional hands-on track records
- Prepare highly adaptable students for the fast-growing trends in the funeral industry
- Flexibility of intakes in January, May or September

# FOUNDATION IN ARTS

IHM Foundation programme provides an alternative pre-university programme of choice to prepare students for undergraduate studies, both locally and abroad. The programme produces students with critical thinking abilities who are academically well balanced. With this in mind, the programme structure and curriculum was developed to offer depth and breadth of contents with the academic standards benchmarked at a level between the South Australian Matriculation programme and A-Levels. The pre-university programme has gained recognition for facilitating entry into an Applied Social Sciences, Commerce, Economics, Finance and Accounting programmes in Malaysia, Australia, UK and Europe.

Foundation is a one-year programme consisting of 3 semesters. The 11 courses in the programme and the MQA compulsory MPU courses are to be completed in the same year.

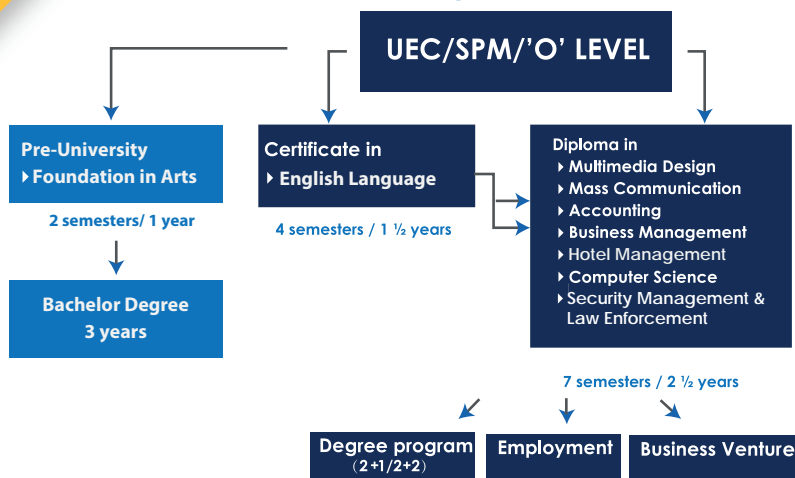

## Entry Requirements:

- A minimum of 5 credits in SPM with a pass in BM and History subjects or its equivalent

## Features:

- Completed in ONE year
- Standard benchmarked between South Australian Matriculation (SAM) and A-Level programmes
- Flexibility of intakes in January, May or September
- Assessment is based on coursework and examination
- Curriculum includes a Critical Thinking course that develops rational, analytical, coherent and logical thinking among students
- External examiner monitors standards of teaching, learning and assessment as well as effective implementation of curriculum
- Feeder programme to top universities in Malaysia or oversea Universities
